When the mercury dips, it's easy to scrap [outdoor exercise](#) and head for the gym (or, if we're being honest, the nearest couch). But if you're craving some fresh air or just can't get motivated to run on a [treadmill](#), help is here. These cold-weather accessories and gadgets will help keep you safe and comfy all season long. (Got 10 minutes? Then you've got time to lose the [weight](#) for good with *Prevention's* new 10-minute workouts and 10-minute meals. Get [Fit in 10: Slim and Strong for Life](#) now!)
